JANET JADE: BLESSED BOTH WITH BOOTY & BREASTS

Dear *BootyLicious,*

I love Janet Jade. She is the perfect woman for any man. Not only is she drop-dead gorgeous, but she is also stacked with huge, chocolate tits that hang the right way! And to make her even more perfect, she has that juicy, bubble booty that looks like it would taste like heaven. I would take hours to fuck Janet Jade. She would get the five-star treatment from me. I would eat her ass and pussy for hours and tweak her erect mocha nipples until she came all over my face. I wouldn't mind sticking my huge dick in her pussy, but I would love to fuck her enormous rack, too.

DO YOU WANT TO SLIP YOUR HARD MEAT BETWEEN JANET'S BIG ASS CHEEKS?

SEND YOUR LETTERS TO:
Booty Call, 1629 N.W. 84th Ave.,
Miami, Florida 33126 USA

EMAIL: letters@BootyLiciousMag.com

DO YOU WANT TO JACK ON HER RACK?

And her ass! I would love to plug her ass full of cock! In fact, I wouldn't know what to do first with this perfect woman. I would be overwhelmed by her beautiful body. It's almost too much for a woman to be built like that. I love Janet! Put more pics of Janet in the magazine, please.–G.K., Austin, Texas.

Dear *BootyLicious,*

Yo, what's up? I never write in to your magazine because I just like to jack-off to the naked pics, know what I mean? But I had to holler and talk about Janet Jade. Janet Jade is the fucking flyest girl in your magazine. She is built like a sexy Puerto Rican chick, and I know this because that's where I am from and trust me, I fuck a lot of Puerto Rican hotties. She has them thick ass thighs, big titties and that sweet ass like she was born on my island. Is she Latina? I could make her Latina by injection. I'll lay this Puerto Rican dick on her until she screams, 'Ay Papi!' and squirts. Let her know I want to fuck her. She is my new favorite.–J.C., Bronx, New York

KELLY STARR'S HUGE CABOOSE TAKES QUITE THE SHOOTING BY TWO COCKS.

KELLY STARR COVERED IN LOTS OF HOT CUM, PLEASE!

Dear *BootyLicious,*

Thank you for running your interview with Kelly Starr in the March/April 2009 issue. I have been a fan of Kelly's for a long time and I can't get enough of her huge ass and full, big tits. I'd like to know where I could see more of Kelly doing some raunchy fucking on DVD. She's sexy and someone who I'd want to have in my vast porn collection. Thanks for all the great issues of your mag! I am a big fan of all the asses you guys feature! You make a great mag.–H.H., Tuscaloosa, Alabama

Dear *BootyLicious,*

I was always down with booty porn star Kelly Starr because she does such hot sex scenes and she sucks cock like she means it. She sucks it like she loves it! But after reading her interview in the March/April '09 issue, I now respect Ms. Starr on a whole other level. Not only is she hot but also well spoken and her answers were pretty hilarious. Especially about waving her wig around in the air at the strip club. That made me chuckle.

I was wondering if she is in any of your *BootyLicious* DVDs doing a threesome? I like it when big-assed women take multiple huge loads on their butts. Please bring Kelly Starr back soon. She is the raunchiest booty model you guys have ever featured and my personal favorite.–F.M., Shreveport, Louisiana

Dear *BootyLicious,*

I have to applaud you guys and your great magazine! Kelly Starr is one of the best bootied beauties you have had in your magazine in ages! Her interview made her very relatable and gave the impression that she has a good head on her shoulders. I had never seen her before and I was impressed by her huge chocolate ass cheeks and tits. I would love to see her use her big ass on a hard white dick like mine. Can you run a pictorial of her getting skewered and cum on by a big white dick? In her interview she revealed that she gets off on dominating white men. Well, please let her know that I'd gladly volunteer to be her bitch any day of the week!–S.P., Durham, North Carolina

Dear H.H., F.M., and S.P.: You guys are not alone in your love of Ms. Starr. We receive countless letters about her giant caboose and her sexual appetite, weekly. You can see her doing raunchy boy-on-girl action and a hard fucking six-way in Thong Team. *Kelly not only sucks dick like a champ, but she also does some of the best anal we have ever seen! You can also catch Kelly in her new movie,* Slam Jam, *where she works*

WE ASKED YOU...

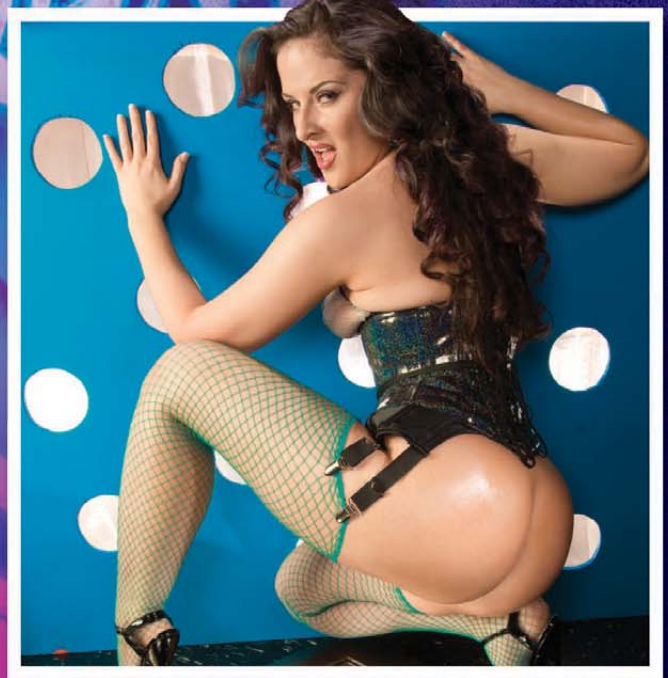

What kind of outfits do you want to see the models in the mag wearing?

READERS PREFER:

1) Booty Shorts
2) Thongs
3) Stockings
4) Fishnets
5) Sports/Fantasy outfits

We recently conducted a *BootyLicious* survey and asked readers what they'd like to see the models in the mag wearing. Booty shorts and thongs were the most popular answers followed closely by fishnets and stockings. Some readers requested sportswear and schoolgirl costumes. And one reader, E.C. from Bronx, New York, said he prefers the ladies in, "No outifts! Just plain ole' naked!" Thanks again for participating and making *BootyLicious* magazine even better!

LUSTING FOR LUSCIOUS

Dear *BootyLicious,*

Thank you, thank you, thank you. You put one of my favorite ladies in your magazine. (It really is about time!) You see, I'm from St. Louis and I love, absolutely love, Luscious Louis. She represents for St. Louis, Missouri with her fine ass and her gorgeous face. She is the total package. When I think about her, my dick gets hard instantly. I'd love to take her out on a date. Granted, I would love to fuck her, but I'd be a total gentleman until she gave me the green light. I know how to treat a woman. Bring her back. Maybe you can show her letting some ice cream melt down into her sexy ass crack. I'd volunteer to lick it all off.–O.B., St. Louis, Missouri

Dear *BootyLicious,*

Good work with putting Luscious Louis in the magazine. Her ass is divine. She's the perfect poster girl and what all *BootyLicious* models should look like. I'd love to bury my face, big dick and fingers in her sexy ass crack for days.– C.C., Weehawken, New Jersey

BOOTY CALL

continued from page 8

until I read her interview and then I was sure that it was her. You see, I am a big Internet geek and I love watching all the amateur videos of strippers doing their thing in the club. I recently saw this video of this perfect booty and it belonged to a stripper in Atlanta. I was mesmerized because that ass kept jiggling! And it was Cheetah! And you featured her in your magazine! Thank you. She has such a sweet face, too. I think it's cool that she owns her own cleaning business. She should quit stripping and be my live-in maid and lover. I'd take good care of her and that sweet ass.–J.F., Miami, Florida

Dear *BootyLicious,*

I'm an Atlanta native and I can say two things about living here. First, it's a great place to live because the weather is great. The second is that the women here have the best and phattest asses on the planet. I think that it must be something in the water because the women grow thick butts that make a booty lover like me want to cry tears of joy. That is why I was so happy to see Cheetah Blige in your magazine. She's a hometown girl who has a booty and a pretty smile. I'm going to check her out at her club and convince her to let me taste that perfect ass of hers. I'll eat it until she cums! Wish me luck and keep bringing them really big asses to the masses.–S.B., Atlanta Georgia

ONE READER WEIGHS IN

Dear *BootyLicious,*

Why is it that I don't see big-dicked black men in your magazine fucking the big-bootied black women? It's always white men and black women! And why don't you have more big, fat-butted women in the magazine, too? I guess when it comes to women, I like more meet on my plate. I would like to hear what you think–Anonymous

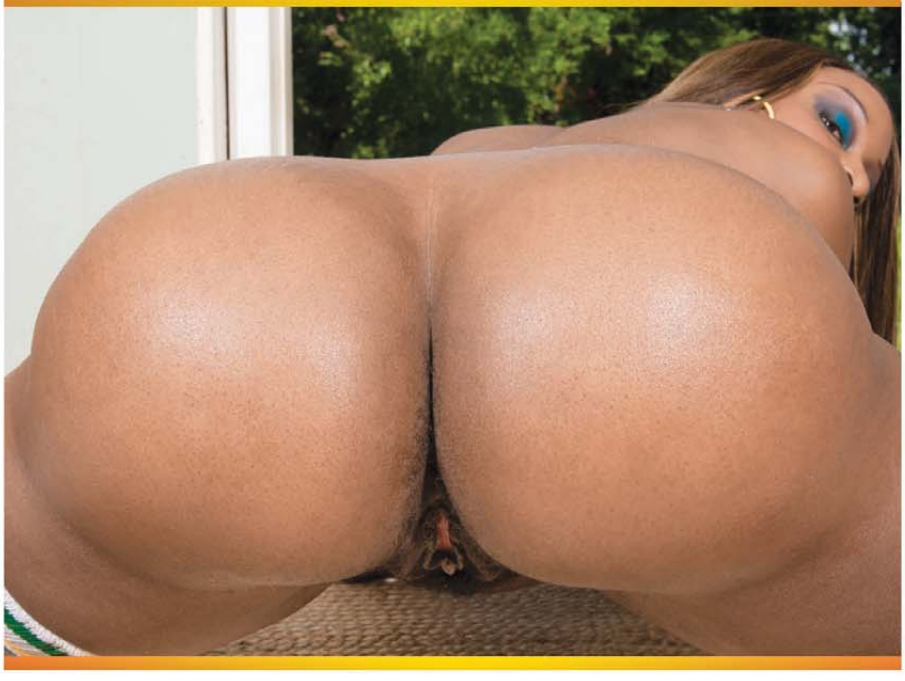

Dear Anonymous: We're working to instill more variety in all of the layouts we run. That includes different shapes and sizes of booty and more diversity in the XXX layouts. We recently shot big-ass wonder, Mz. Booty, doing XXX with black porn legend, Blackzilla. We will be running that layout soon, so be on the lookout and thank you for weighing in with your opinion. We value all of our readers' opinions because they help us make the magazine even better.

HORNY FOR HERSHEY

Dear *BootyLicious,*

Thanks for bringing back my favorite big-assed mocha dream, the gorgeous Hershey Bryant. Her beautiful dark skin is perfection and her huge, wide ass always looks ready for my long tongue and hard cock. I was very happy to see her doing XXX in the March/April '09 issue especially because she looks like she is really getting drilled and that she is loving every inch. Can I get one bonus shot of Hershey all filled up with a big dick? It makes my dick rock-hard.–G.J., Aurora, Illinois. B

VIDEO REVIEW

BOOTY LICIOUS™

Soleil Hughes & Kandee Lixxx

Horny mocha mamas. Sweaty threesomes and nasty orgies. Big cheeks jiggling and tight assholes speared by huge cocks. Wet pussies filled with dicks, tongues and cum. This is what makes up a *Slam Jam.* Big-cheeked freaks getting jammed in every hole and lovin' every stroke.

Kelly Starr

Eva Gomez

Sweet Sinsacion & Raven Sky

MS. JUICY & SKYY BLACK

It's the main event when these two bootied bitches go toe-to-toe and then cheek-to-cheek. Ms. Juicy and Skyy Black talk a load of smack about how they are going to fuck each other up, but when push comes to shove, the gloves come off and they decide to fuck each other, instead. But what fun would just girl-on-girl sex be for these two cock-hungry nymphos? That's why they call in two hung studs with enough stamina to go lots of rounds with these heavyweights. Skyy even begs for a cock up her tight asshole. These ladies suck and fuck these cocks until they drain them.

SOLEIL HUGHES & KANDEE LIXXX

You know how hos go wild when they are on vacation, right? Well, when Soleil and Kandee go to sunny Miami for some vacation fun, they decide to get it on with some guy they met at the club and they rock his cock but good! They take home his cum as a souvenir. Kandee spreads wide and gets pounded while eating Soleil's pussy like it's going out of style. And Soleil loves to suck cock and get it nice and wet so she can sit on it and ride it until she creams. To these two ripe rumped hoochies, a tropical getaway turns into a steamy three-way!

KELLY STARR

When you see Kelly Starr in person, you know you are looking at a woman who is built for pounding. That's why these guys approach her to shoot an "amateur" porno and why she agrees. No one sucks on a cock like Kelly Starr and when she gets DP'ed by these two cocks, you can tell she loves it!

EVA GOMEZ

Eva Gomez is a hot Latina maid who knows nothing about cleaning houses but knows everything there is to know about cleaning pipes. This spicy slut uses her round caboose to convince these frat guys not to fire her for her terrible cleaning skills. And it works! They run a train on her ass, taking turns spearing her tight asshole, pussy and horny mouth. And when one cock isn't enough, she asks them to DP her and then cum all over her face. Watch them glaze her face like a doughnut!

SWEET SINSACION & RAVEN SKY

There is something really horny about watching two sexy women touch and lick each other. Especially when they whip out some toys and plug each other's cunts until they're writhing and moaning in complete ecstasy. But as much fun as watching a lezzie love fest is, it becomes clear that these chicks need some meat in their pussy sandwich so they call in a dick to drill them into a frenzy. They adapt to having a dick in the mix real quick and get that cum A.S.A.P.!

SLAM JAM

PANTY GIVEAWAY

YOU CAN'T GO WRONG WITH TWO THONGS!

When Raven and Sweet Sinsacion came to shoot for *BootyLicious* magazine, we asked them to shake these thongs right off and sign them for some lucky readers to win and of course, they were more than happy to oblige. Do you want to get your hands on these sexy thongs? Send your name and complete address to: Thong Giveaway, *BootyLicious* Magazine, 1629 N.W. 84th Avenue, Miami, Florida, 33126. Be sure to include the name of the girl whose thong you want. The deadline for entries is August 11, 2009 and the two winners will be announced in the Oct. 2009 issue. Good luck!

Kiki Carter

Tiger for your Wood

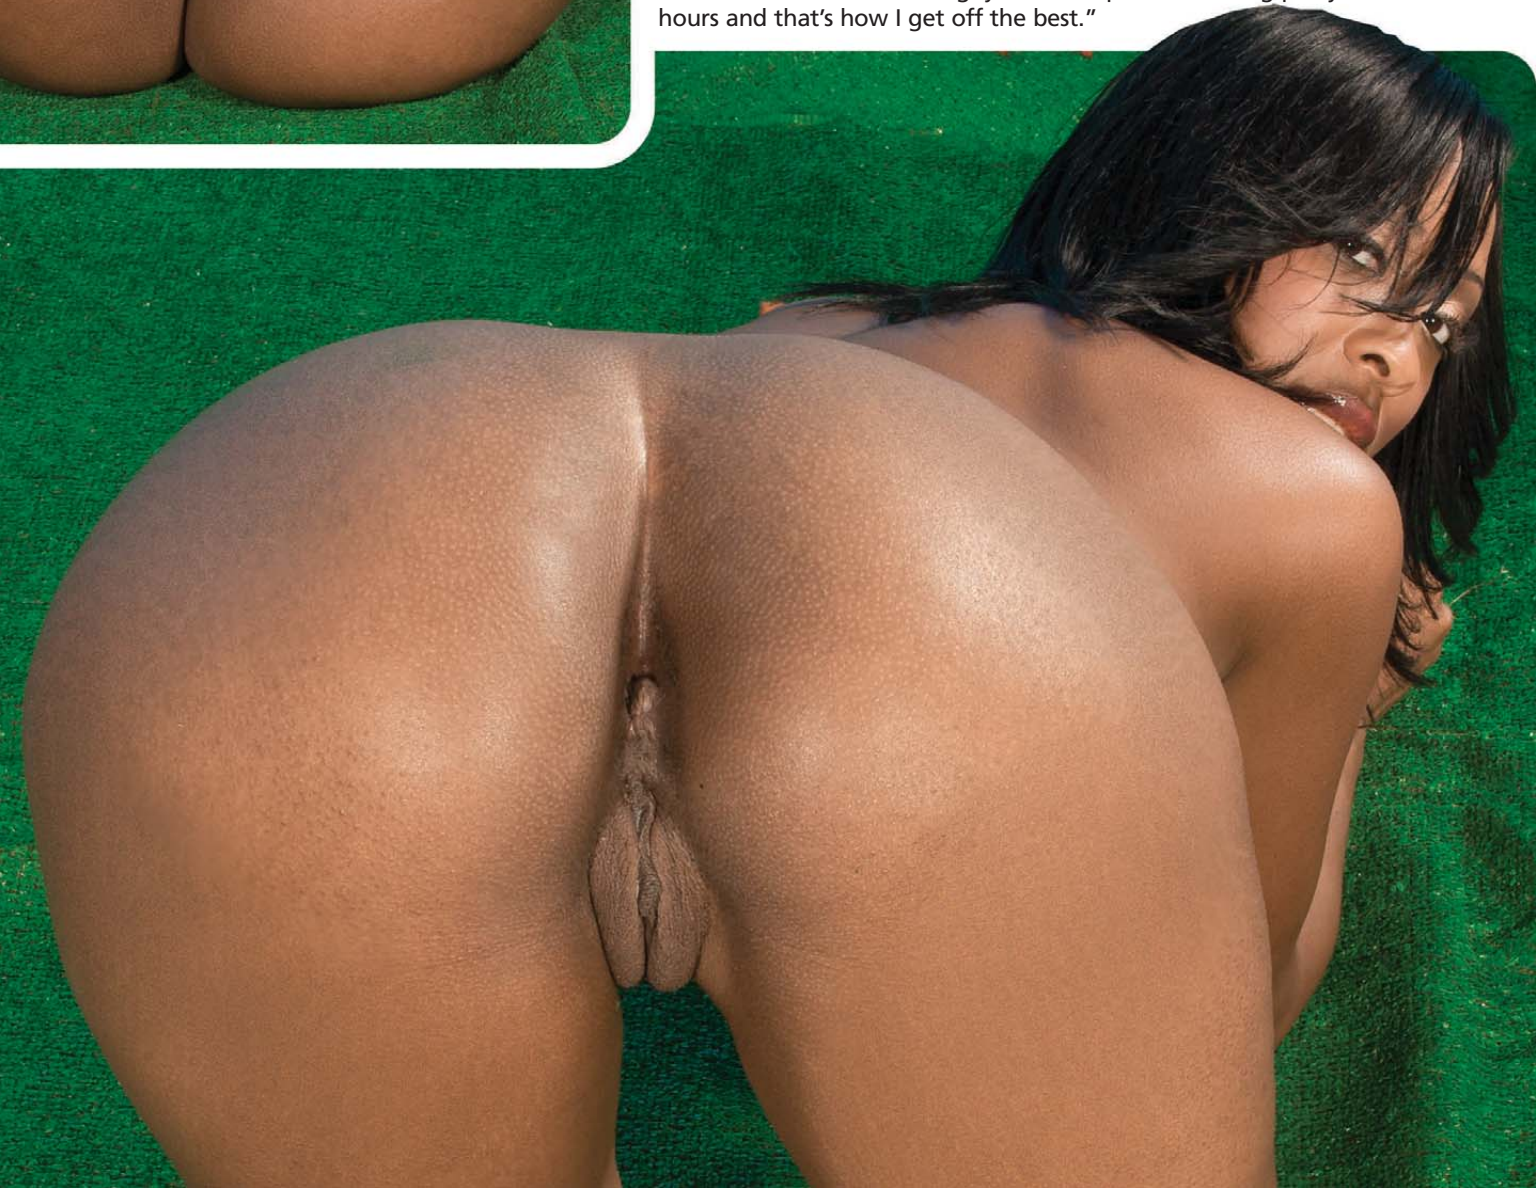

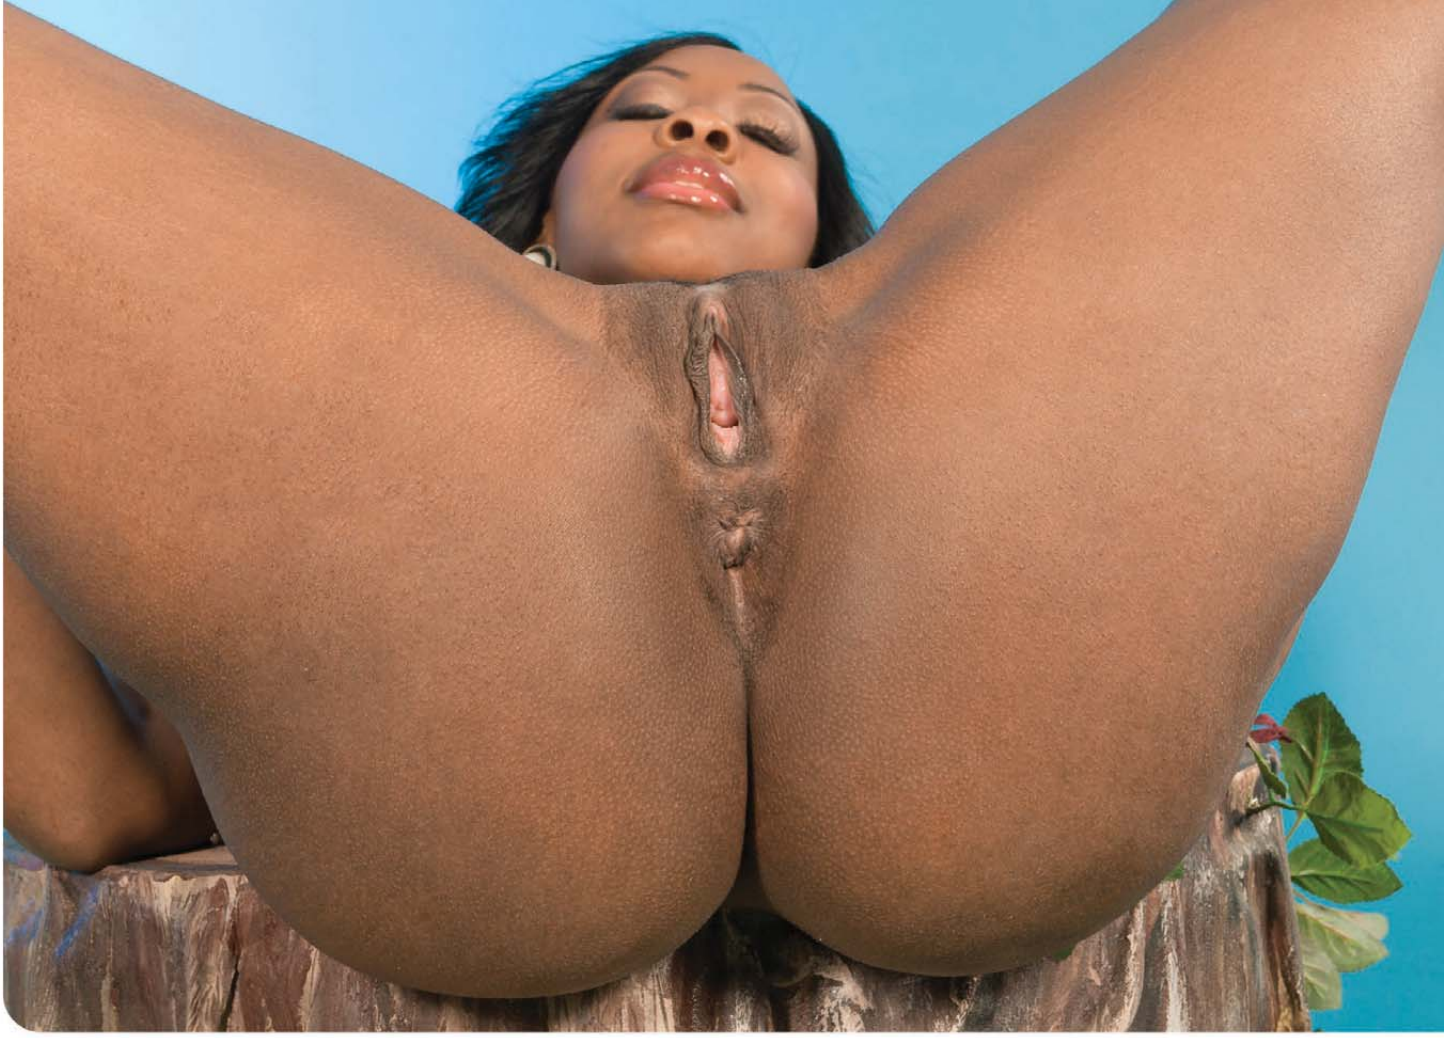

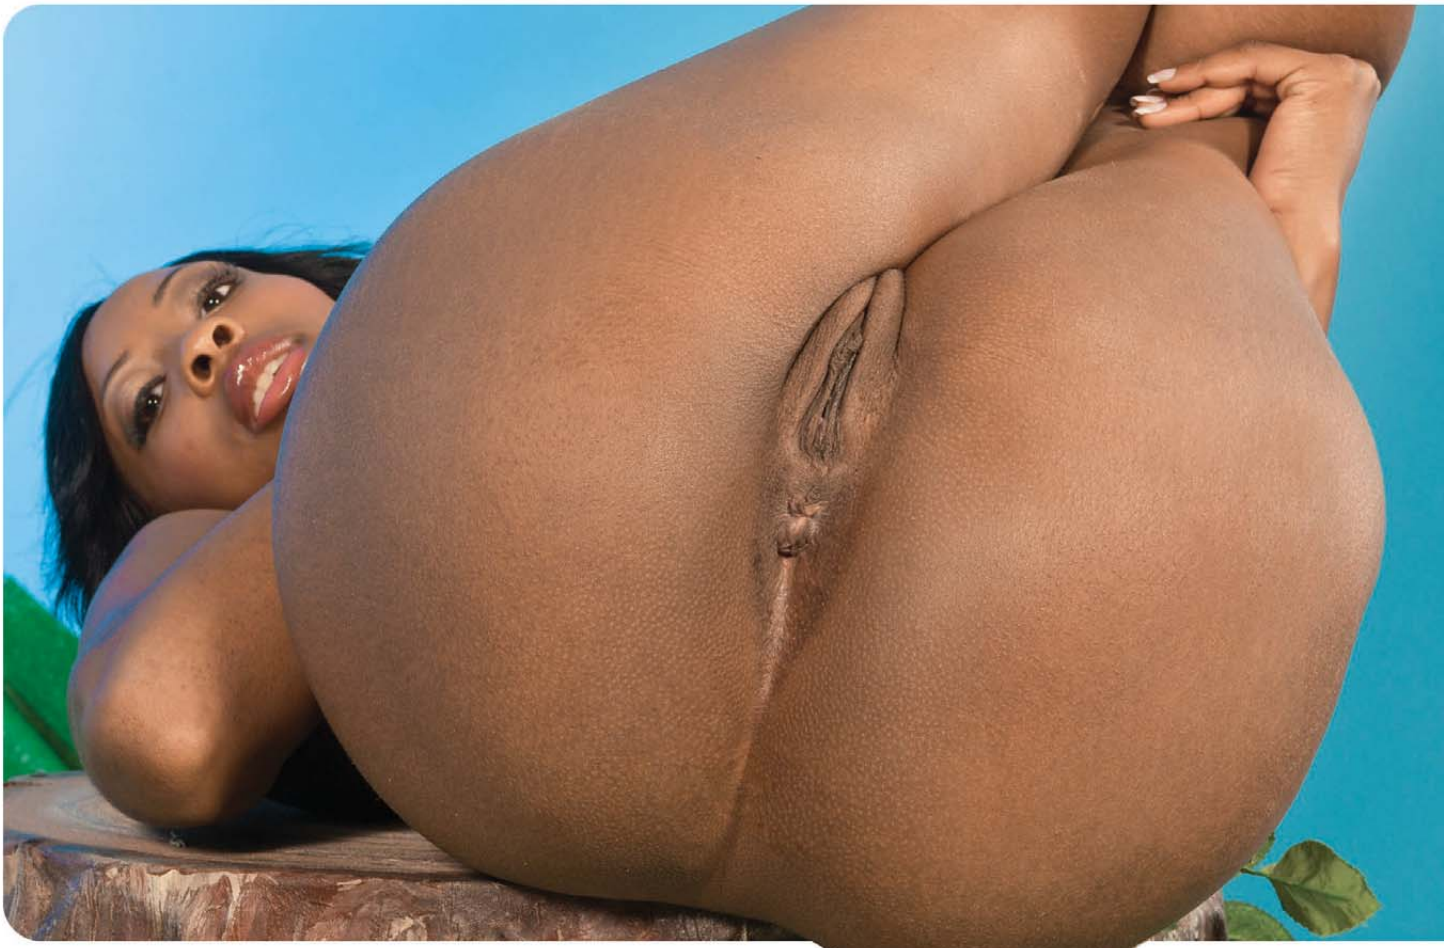

Welcome to* BootyLicious, *Kiki. We hate to be corny, but your pussy makes us want to putt and hit a hole-in-one with our big clubs.

"[*Giggles.*] Thank you. I do have a nice pussy, don't I? I heard that only gentlemen play golf, so I am learning how to play so that I can land myself a rich, older man who'll treat me right. Thugs hit on me all the time and I am looking for a gentleman in the street and a freak in the bedroom. I hear that older guys have no problem eating pussy for hours and that's how I get off the best."

What else do you like men to do to you?

"I like men who are not too full of themselves and are adventurous. So when I am with a man, I like it when he isn't afraid to do all the kinky things I want to. I like to get fucked outdoors and I like a man who can do that with me. I also like it when they're not afraid to lick my tight asshole, too."

BOOTYLICIOUS INTERVIEW

We recently had the privilege and the pleasure to sit down with founder and former member of 2 Live Crew, David Hobbs, AKA DJ Mr. Mixx, the 808 King. We talked about music, his career and of course, we had to discuss the one thing that DJ Mr. Mixx and BootyLicious *magazine share in common: The knowledge of all things ass. This is the man who made it okay for women to get half-naked and buck wild in the club while moaning, "Oh, me so horny!" at the top of their lungs. This is the man who helped to create a movement, and by movement we mean he has helped millions of strippers and nasty girls pop, shake and jiggle to the beat on stage for years. This is the man who created that Miami bass sound that is as relevant and recognizable today as it was in 1989 when he gave everyone permission to be As Nasty As They Wanna Be. This is THE man and he had a lot to say to us about the way of the ass.*

BootyLicious: We're talking to DJ Mr. Mixx today, and first off we'd like to say welcome to *BootyLicious* and thank you for taking the time to sit with us.
DJ Mr. Mixx: Oh, no problem. Thank you guys for having me here today.
BootyLicious: We are big fans of your music and of your contribution to the world of ass-shaking and ass-popping.
DJ Mr. Mixx: Thanks. I appreciate that.
BootyLicious: Now, let's go back to the beginning. Where are you from originally?
DJ Mr. Mixx: I was born in Santa Ana, California and I relocated here after I got out of the military in 1985 and that is how I met a concert promoter, Luther Campbell.
BootyLicious: And that's when the 2 Live Crew was formed and changed music?
DJ Mr. Mixx: Yes, we joined forces. He had this mobile DJ booth and was a concert promoter with a group called the Ghetto Style DJs and I had a record production company. He was doing these parties and at the same time promoting these concerts at the parties they were throwing. A lot of people think that 2 Live Crew started with him, but it really started with me. I was doing a lot of recording in California and one of the records did really well in the Miami market, so he reached out to me and helped promote it. And eventually I asked him to be the manager for what it was that we wanted to do. I mean, we were still trying to get our feet wet in the industry.
BootyLicious: When 2 Live Crew came on to the scene you guys came with this almost-pornographic content. It was risqué and there was all this controversy. Let's talk about how your music changed things.

DJ Mr. Mixx: Well, what happened was that I was a big comedy fan. I was listening to people like Eddie Murphy, Redd Fox, Richard Pryor and Rudy Ray Moore as Dolemite. And I was taking these phrases on these comedy albums and putting music around the phrase and then have rappers rap stuff over what the bit was about. So we were really on some comedy tip, not trying to be overly explicit. We were not doing anything more than what these guys were doing on comedy records.

BootyLicious: Like *Raw* and *Delirious?*

DJ Mr. Mixx: Right. But people had never heard it presented that way and then that along with the girls and the wild dancing, it just turned this big gumbo pot of how we were being overly explicit. It was like we were being looked at like we were crazier than the comedians we were emulating and we thought we could never match how far they had gone on their albums.

BootyLicious: But you guys just packaged it a little more "in-your-face."

DJ Mr. Mixx: [*Laughs.*] Exactly. It was supposed to be funny. Not explicit.

BootyLicious: Your music is still relevant today. You go to any club in Miami and at some point or another you are going to hear bass from your first albums. Do you think that we will see the resurgence of bass again in new music?

DJ Mr. Mixx: You see, the whole misconception about bass music is that it's this urban and street music. And that kind of music plays out faster. When I started doing bass music, I based in on dance music and disco records. Songs like *Ring My Bell* and *Turn The Beat Around*. So the bass genre will never stop being relevant because it's based on songs that will be around forever.

BootyLicious: Do you see how your music paved the way for dirty South music and crunk music?

DJ Mr. Mixx: Oh, yeah. Our music is the daddy to a lot of different styles that are out right now. People like Little John and DJ Toomp, they might not be direct protégés, but they are protégés of what it is that we created here in Miami. They put their different little twists to it, but we are definitely the fathers of this music. They might be illegitimate kids.

BootyLicious: Now back then it was wild to see the kind of dancing that these girls were doing to your music. People had never seen girls with these huge asses, booty dancing and gyrating. Let's talk about that time period. Now, it's more commonplace, but then, it was wild.

DJ Mr. Mixx: Yes, now it is more commonplace, because the people who are doing it now grew up seeing it. But when we did it, we brought a whole new thing to the forefront. At that time, there were strip clubs and burlesque bars but they were always off in the corner, not out in the open on Front Street.

BootyLicious: You guys took these girls and these dances out of the strip club and put them right into homes across America.

DJ Mr. Mixx: That's right.

BootyLicious: Do you have any wild stories to tell?

DJ Mr. Mixx: Well…wow! [*Laughs.*] There's a bunch of different scenarios but I will say that anytime we did a show, we never knew what to expect with girls coming out of the audience. Girls would try and prove that they were better than the dancers we had and it wasn't a bad thing, but it was always something. I won't lie, we definitely had a good time. [*Laughs.*]

BootyLicious: We would imagine so. You hear all these rumors about orgies and wild shit like that…

DJ Mr. Mixx: Well, the orgy stuff, I would say that each individual cat was

doing his own thing. I would't say that we had orgies together. Nah, that didn't happen at all.

BootyLicious: As far as 2 Live Crew, the last thing you guys put out was in, like, 1993 right?

DJ Mr. Mixx: Collectively, the last thing that all four original members did was a song called *Hoochie Mama* on the movie soundtrack for *Friday.* Now everyone, Luke, Chinaman, and Marquis, we all do our own things and that's it.

BootyLicious: So there is no collaboration or reunion for you guys in the future?

DJ Mr. Mixx: There is a lot of internal BS that needs to be straightened out. It's like being in a relationship where the guy and the girl know they are good for each other but they can't get past all the BS that is going on between them.

BootyLicious: So, let's talk about what you are doing in music these days.

DJ Mr. Mixx: I am still producing records for different up-and-coming artists. I work all styles and genres of music. And I am also doing this database for parties. It's called DJ Mr. Mixx Booty Database, where all these girls from around the U.S. are at my disposal to use for events and parties we host. Any guys who want to book will go online to *collegepeepshowtv.com* and they can pick and choose from all these girls. They can pick any particular dancers that they want to come out to their party. We are gearing it towards frat parties and college guys.

BootyLicious: So, these are like *Animal House* parties. Exactly what kind of dancing are these girls doing? Are they booty shaking? Stripping?

DJ Mr. Mixx: It's booty dancing. A lot of times, these guys only get to see this kind of stuff on T.V. and when you are doing a concert at a smaller venue, it's intimate and they can see this kind of dancing up close. Not every guy goes to strip clubs, so this brings the strip club scenario, the dancing, to them.

BootyLicious: As far as the artists out today, what kinds of music are you listening to right now?

DJ Mr. Mixx: I always listen to what's going on and current. But one thing about DJ Mr. Mixx is that I am not afraid to be David Hobbs. A lot of people live their rap life 24-hours a day and I don't. So DJ Mr. Mixx listens to current music to see what's hot and to stay relevant and David Hobbs listens to easy-listening and R&B.

BootyLicious: How did you come to *BootyLicious* magazine? Are you a fan?

DJ Mr. Mixx: Well, I stum-

bled across it online and then I really wanted to participate with *BootyLicious* to bring my style of music to the brand. My music is ass-shaking music, and that is what put me in touch with you guys. It goes hand and hand with all the DVDs and *BootyLiciousMag.com.*

BootyLicious: So you were on the Website? Are there any particular models that you might be into?

DJ Mr. Mixx: [*Laughs.*] There are so many asses and so many faces. I can't remember. Honestly, I can't place the ass with the face and vice versa. And their names! There are just so many girls out there now. I remember 20 years ago, the booty niche wasn't on fire like it is now. You have so many women who are on this game now. And you know that's another reason why I wanted to do the DJ. Mr. Mixx Database, because there are women out there who are trying to break into the business and they don't know how or know where to go to start, or how to market themselves. I would like to give them all an opportunity to be in this business and make the game work for them.

BootyLicious: Let's talk about how booty really came into its own. You have the 80s and 90s and you have big-boob porn. And then all of a sudden you have J-Lo and mainstream media catering to big asses. The same media who told women in the 90s that stick-thin was in. And told them in the early 2000s that heroin chic was hot. Now all of a sudden, curvaceous women are in the limelight. Why do you think that booty is so accepted now and ass is in?

DJ Mr. Mixx: Well, I think that it is, well, I don't want to say it's racial, but to a certain degree when you have established society saying

Welcome back, Yazmina. Your ass is looking quite edible.

"Thank you! It's nice to be back. I loved being in the Jan. '09 issue and since then, I've been living a life of excess. I have more money, more men and more orgasms than ever before! It's amazing."

Guys recognize you and we bet they can't keep their hands off!

"Oh, man! It's so true. The guys are going crazy for me, even more than before I posed. It's so sexy to have this kind of status because I can totally boss the men I fuck around when we are in bed and they do everything I say. So when I want them to eat my pussy, they eat it forever. When I want them to give me some dick nice and slow, they give me that long stroke all night long. It's exciting for them because they are fucking a star and it's good for me because they treat me like I am a queen and I love it!"

So, have you given up that sweet ass yet?

"[*Laughs.*] Not yet, but I am getting into the idea of getting fucked in the ass. Lately, when a guy goes down on me, I ask him to slide a finger or two in there and it feels so good. In fact, I am starting to cum a lot harder when they finger my ass, so I think I will be exploring anal soon!"

Welcome to* BootyLicious, *Keyona. The question on our minds is, what are you gonna do with all that junk, all that junk that's in your trunk?

"[*Laughs.*] I'm gonna get you drunk, get you drunk off my hump! I love that song and I love when I am at the club and it comes on because I make this ass shake and the men go wild. Guys love it when I get loose and show them how I pop my booty and make my ass cheeks jiggle. They can't keep their hands off me and I don't want them to either because I really like to get freaky in the club. It's something about being in the dark, nice and sweaty with a stranger, and he is grinding on your ass and you can feel his dick getting bigger and bigger. I get horny!"

Have you ever had sex in the club with one of these strangers?

"I can't believe I am going to admit this, but yes, I have. We snuck into a storage room behind the bar and he pulled my panties down, bent me over and fucked me doggie-style over some crates! No one ever found out."

Pinky, we always welcome you back to* BootyLicious *with open arms because you are such a booty babe!

"Aww, thank you! I love being in *BootyLicious.* It is a mag that is all about what I got, which is a whole lotta ass! And I love that I get to do such freaky stuff when I am here. Like this scene that I did for *Big Ass Boot Camp*, with these two soldiers. It was really raunchy because there were two of them and I still don't think that they could handle all this ass that I am coming with. But I liked that it was four hands on my ass and pussy and that they took turns fucking me hard. It was like they say, the more the merrier. I say, two dicks is good for this chick!"

So you obviously enjoy being taken by two men at once, but did you finally give up that sweet ass?

"Now, you guys know that my ass is mine and that I don't just give it up to anyone. I liked that they licked and toyed with my asshole because you know that I like the way that feels, but other than that, it was business as usual. That means I let one of them give me some hard dick in doggie-style and I took the other one in my mouth and let him slide it all the way in. I think that when I have a guy in my mouth and one in my pussy, that it is one of the hottest things that I can do. I feel so full of dick that I just go crazy. Now, one of them wanted to put his finger in my ass, and I let him try it, but my asshole is too tight and it just doesn't feel as good as it does when a big dick is stretching my pussy out. That is what I love, so that is what I am sticking to. They didn't seem to mind it fucking my cunt and mouth, either!"

Ambrosa Jones

Ms. New Booty

BY MARIA GUERRERO

Allow us to introduce you to Ambrosa, Ms. Jones if you're nasty. This Miami native is sexy and a sweetheart who loves the nightlife and dancing almost as much as she likes to chew men up and spit them out. With her seductive stare and her jiggly ass, she lures them in and then has her way with them…multiple times. But don't get it twisted. Ms. Jones is not one of those player, gold-digger chicks who just wants men for their dollars. Oh, no. She wants them for what they are good for, and that is sexually satisfying her insatiable appetite. Take a look at Ms. Jones and fall in love with a chick who has a tight body, big booty and is all about the business.

BootyLicious: Welcome to *BootyLicious*, Ambrosa. We would like to call you Ms. Jones, but that is just because we think about the Billy Paul song and the whole, *Me and Mrs. Jones* hook comes to mind.
Ambrosa Jones: [*Laughs.*] That's a good song. I think we might have a thing going on, right?
BootyLicious: See, that is why we already have a thing for you, Ambrosa. We love women who get our obscure musical references.
Ambrosa Jones: Well, that's the jam, so I am glad that I know that song.
BootyLicious: Now, let us just say, you are a shorty.
Ambrosa Jones: Yeah, I am only five feet tall. I wish I was a little bit taller.
BootyLicious: You wish you were a baller?
Ambrosa Jones: [*Laughs.*] Will there be musical references throughout the entire interview? That would be a lot of fun.
BootyLicious: No, we will refrain from turning this into trivia. Even though that sounds like fun. Let's talk about your height. We don't think you need to get any taller, Ambrosa. You have a perfect booty for your size and that is great.
Ambrosa Jones: Thank you. I get a lot of compliments on my ass and my smile. But mostly, on my ass. Guys love ass!
BootyLicious: Don't we know it. Now, what are your measurements?
Ambrosa Jones: I am a 32C-28-38. Sometimes my boobs are a D-cup. It depends on the bra. And my butt sometimes is smaller or bigger depending on if I lose or gain ten pounds.
BootyLicious: Well, we don't encourage that you lose any weight ever again. In fact, if it makes your ass grow, we say eat up!
Ambrosa Jones: [*Laughs.*] I hear that a lot from men. They want me to feed the booty so it will grow.
BootyLicious: We think that is excellent advice. Feed it so there is more for us to lick on and eat.
Ambrosa Jones: And trust me when I say that I don't mind it when a guy wants to lick and suck on my ass. That is one of my turn-ons. I think it's the best thing to do to make me want to give it up to you.
BootyLicious: Now, when you say "give it up," are you referring to the pussy?

Because we think all women should give that up and lay it down good, too. Or are you saying that to refer to your sweet ass?
Ambrosa Jones: Oh, I am talking about the ass. I love anal and I love getting my pussy pounded, too. I think it's the best of both worlds to have regular sex and then end it off with a dick in my ass. That makes me cum hard and guys love kinky shit like that.
BootyLicious: Okay, we are making a checklist. First, eat the booty. Then, fuck the pussy. Then fuck the ass all night long.
Ambrosa Jones: [*Laughs.*] It's not as easy as all that. It takes time and there is a process for me to let a guy get it good. In fact, I am very picky when it comes to my men. I don't just fall for the lines and bullshit.
BootyLicious: So what does it take to conquer the super-fine Ms. Jones?
Ambrosa Jones: Well, first of all, I don't want some guy who is all sticky.
BootyLicious: Sticky? Is he covered in glue or what?
Ambrosa Jones: [*Laughs.*] No, I mean a guy who is clingy and all over me from the jump. I need a guy who can keep it cool. I don't want a man chasing after me like a lovestruck fool. I need space and distance.
BootyLicious: Okay, so he gives you the space. What else does he need to do.
Ambrosa Jones: He has to be confident. I don't mean he has to be an asshole or too cocky for his own good. He just has to be confident and sweet and he has to have a good job.
BootyLicious: So you want to be taken care of, right?
Ambrosa Jones: No. I am not a gold digger. They disgust me. Women who see men as some sort of heroes because they make money. Please. I don't need to be saved. I don't need to be dependent on some dude. I just want him to have some sort of responsibility. If a man can hold down a job, then he can hold me down. He has ambition. I like that.
BootyLicious: So when guys hit on you, you want them to be confident, employed and not clingy?
Ambrosa Jones: Exactly. And most of the time, that will get them into my good graces, and we might even fuck, but that doesn't mean that I am going to keep him. That doesn't mean I am going to fall in love.
BootyLicious: Wow! You're a lady pimp, eh?
Ambrosa Jones: You know it. I am flipping the game on the guys. Guys don't stand a chance with me because I am not one of

the chicks they can run game on all the time.

BootyLicious: We won't lie to you, the whole I'll fuck you and then get out thing…it's kind of hot. Do the guys complain at all?

Ambrosa Jones: I live in Miami and down here, all the guys are players. There are beautiful women everywhere you look and these guys are used to chasing them and filling them with pretty lines and then dogging them out. And when they meet me, and I hit them with my confidence and I tell them, 'Listen, it was fun, but don't call me. I just wanted to hit it,' and then I leave them after I have my way with them, well, they really love it. It's like a breath of fresh air for them.

BootyLicious: Well, it is refreshing. It's hot.

Ambrosa Jones: Thanks.

BootyLicious: So you like to make the first move?

Ambrosa Jones: I can. I mean, I have and I don't mind it. Sometimes it's nice to have a man be in charge though. Sometimes I want to be fucked, I don't want to be the one doing all the fucking while he lays there.

BootyLicious: Is it important for a guy to eat your pussy? Is that a must?

Ambrosa Jones: I think it goes along with that confidence thing. If a man doesn't go down on me, then I think he is soft. Real mean eat pussy. Real men do whatever it takes to make a woman cum and make her feel good. If a guy can't eat pussy, that shows me that he can't hold me down.

BootyLicious: And do you suck dick in return?

Ambrosa Jones: Of course. Sucking dick is essential. It's, like, revving the engine before you peel out. If you want to get fucked and have a man do you properly, then jumpstart his dick with your mouth and he will hit it all night long. Trust me.

BootyLicious: Oh, we trust you. We think you are speaking the truth about that. Men love head.

Ambrosa Jones: I do this thing, where I kiss and lick my way down to his dick and I look up and I ask, 'Do you want me to fuck you with my mouth?' and they lose their minds! I think it's better than saying, 'I want to suck your dick.' Any girl can suck dick. That's just putting it in your mouth and that's that. I fuck you with my mouth. That takes drive and talent.

BootyLicious: What is your technique? Every woman has a technique.

Ambrosa Jones: [*Laughs.*] That's true. I am a big fan of slapping the cock all over my mouth and lips. It never fails to wow the guy I am with. I don't know why men like it, but they do.

BootyLicious: 'Cause you are beating their meat.

Ambrosa Jones: Yup. Then I like to shallow throat. That is when you

make your mouth really tight and you suck just the tip really hard. I do that until I can tell he is feeling the tightness and then, all of a sudden, I will deep throat the whole cock and make my mouth really tight around the base. Then I kind of gag and cough at the same time, so my throat gets tight on his head. I start sucking up and down really fast while I do that and I squeeze his balls with my hands. It's a lot of work and when and if I get tired, I will use my hands.
BootyLicious: It sounds like you're a champ.
Ambrosa Jones: Sucking dick is like a sport. Go hard or go home. Period. I am not just down there for shits and giggles. It's serious. It's a job. That's why it's called a blow job.
BootyLicious: And do you like it when they cum in your mouth, Ambrosa?
Ambrosa Jones: It depends. Sometimes, I want them to cum in my mouth because I know it's going to turn them the fuck on. Some guys, you can tell, they have never had a chick make them pop with just a blow job. That's when I love to make them cum in my mouth. I latch on and I won't let go until they pop. Other guys, well, they like to see the cum. They want to cum on your face, on your ass or on your tits. They want to see the load. I don't mind it, either. I like to see the load, too. I'm like, 'I made all that cum happen, Baby!' [*Laughs.*]
BootyLicious: You sound like a true freak. Like the kind of chick who enjoys sex like a man enjoys sex. No guilt, no drama, just straight pleasure. We like that. Tell us, where is the kinkiest place you have had sex? We want details.
Ambrosa Jones: Umm, I have to think about that because I've had sex in a lot of crazy places. I would have to say that the kinkiest place was at Disney World. That was hot!
BootyLicious: Wow! It really was the happiest place on earth, huh?
Ambrosa Jones: [*Laughs.*] Oh, absolutely. It was the kinkiest place on earth, too.
BootyLicious: How did you get away with that?
Ambrosa Jones: Well, we waited until there was this parade and all the people were caught up in that. Then we went on one of the rides, this pirate one, and we were all alone on the boat. Everyone was at the parade. So, he dropped his pants and I grabbed his hard dick and I just sort of shimmied my way over, pulled my skirt up, pulled my panties to the side and sat on it. It was crazy and it was a quickie, like two minutes, but it was funny and sexy. All these robot pirates and the singing and here we are, getting our freak on. It was sexy as fuck!
BootyLicious: And you guys didn't get caught by anyone? And arrested?
Ambrosa Jones: No, we got away with it. The funny thing was when we got off the ride and I had to run to the bathroom because there was all this cum dripping down my legs!
BootyLicious: [*Laughing.*] So you were walking funny, right? That's hilarious!
Ambrosa Jones: Totally. I was like running to the restroom so that I wouldn't drip all over the place.
BootyLicious: Now, we

know that you shot a layout with Mr. Mixx, which is in this same magazine, by the way. Tell us what it was like to meet the man. Did you know who he was?
Ambrosa Jones: Come on, now! I am from Miami. I am all about 2 Live Crew and meeting Mr. Mixx was a great experience. He is like a living legend. I used to dance to his music when I was a dancer. His music is what ass shaking is all about. It's really good.
BootyLicious: So you were a dancer? Tell us about that. Why'd you stop?
Ambrosa Jones: It just wasn't for me. Some chicks dance and they love it. They love the attention and of course, they love the money. But I don't get off on attention. I get off on fucking. I want to be physical, not just a piece of meat. I would much rather be in the porn business and get to do what I love, which is fucking, than to be a dancer and not enjoy it.
BootyLicious: Do you have any crazy stories from when you were a dancer?
Ambrosa Jones: [*Laughs.*] Boy do I! Once, I accidentally kicked a guy in the face with my big stripper shoes and I broke his nose! It was crazy! I felt really bad.
BootyLicious: How do you accidentally kick a guy in the face? Was he on stage?
Ambrosa Jones: No, and that is the worst part! He had come up to the stage to make it rain for me.
BootyLicious: For those of you that don't know, that is when you throw a stack of dollars, one by one, at a dancer so that they pour like rain on the stage.
Ambrosa Jones: Exactly. So he is flipping dollars and I was on the pole, coming down from a crazy pose and I was flipping my legs out, to come down in another pose and I guess he leaned in, to make the dollars rain on my ass and bang! I caught him in the nose with my six-inch heel and his nose just exploded.
BootyLicious: That's too bad. Was he pissed?
Ambrosa Jones: Actually, he was apologizing to me. I felt so bad that I told him to come back the next weekend and that I would take care of him.
BootyLicious: And what did you do to take care of him? Did you give him one of your famous blow jobs?
Ambrosa Jones: [*Laughs.*] No, a bunch of us girls took him to the VIP room and took turns giving him hummers. He loved it.
BootyLicious: Wait, isn't a hummer a blow job?
Ambrosa Jones: No, no. I mean when you put your mouth over the guy's dick while he still has his pants on and you hum through his pants on his balls.
BootyLicious: Well, that sounds like it must feel good. We are sure he appreciated it, too.

Ambrosa Jones: [*Laughs.*] What guy wouldn't want a bunch of women fighting over his dick? He loved every minute of it! He had one of those shit-eating grins on his face the whole time. He became one of my best tippers afer that, too.
BootyLicious: Now, speaking of a bunch of girls fighting over dick…have you ever gotten down with a female or a threesome?
Ambrosa Jones: I have been in a threesome before, but it is not my thing. I mean, I don't do the whole girl-on-girl thing because I love dick and women can't satisfy me.
BootyLicious: So why wasn't a naughty threesome your thing, Ambrosa?
Ambrosa Jones: I could tell you a bunch of bullshit but the truth is, I am selfish. I don't like to share my dick with anyone. I want it all for myself and in a threesome, there is a lot of sharing and that is not satisfying to me. And I definitely don't like to see a chick all over my man's dick. Some chicks might be into that, but for me, it just makes me want to beat a bitch down for being all over my man's shit. In a relationship, that dick belongs to me. No sharing!
BootyLicious: Point taken.
Ambrosa Jones: And honestly, you know how they say that women eat the best pussy because they know what feels good? Well that must be bullshit because when this chick ate my pussy it was horrible! You're supposed to be screaming out, 'Oh, yes! Don't stop!' but I was screaming to stop! [*Laughs.*] It was really bad.
BootyLicious: Well we think that you can't judge your love of women by just one bad experience. That's not good research. You should try again, and this time you should let us watch for, er, scientific purposes. That way we can give

"Sucking dick is like a sport. Go hard or go home. I'm not down there to lose. It's serious...that's why it's called a blow job."

you pointers and show you the way and the magic of the twat.

Ambrosa Jones: [*Laughing.*] Yeah, I bet that you guys would love to watch for 'scientific' purposes. Well, that wasn't my only experience with a woman. I actually had a girl-on-girl experience before my threesome and it wasn't that terrible, but I just missed the dick too much. It wasn't the same for me. I need dick, period.

BootyLicious: That is an adamant statement if we ever heard one.

Ambrosa Jones: Yup. It is what I like. I am a firm believer that you have to get what you want and know what you like to be satisfied in life.

BootyLicious: How about when you are fucking on camera, Ambrosa? Are you sexually satisfied by that?

Ambrosa Jones: You know what? I really am and not because I like to be watched, either. I know that a lot of women will say that they like to have people see them being fucked, but for me it's the idea of the people who watch turning around and fucking or jerking off to my sex scene. It's the fact that I can make them get so horny that they need to cum, too, just because I am cumming and fucking so hard. Does that make sense to you?

BootyLicious: It makes perfect sense.

Ambrosa Jones: And it's not just on film either. I have had plenty of guys and chicks talk to me about sex, whether it's questions about how to do anal or how to give head. And when I am explaining to them, I can tell that they are getting turned on and that they are going to either go masturbate or fuck right after we're done and that makes me horny!

BootyLicious: That's because you are a giver, Ambrosa. You are a giver of knowledge, pleasure, head and boners and that's why we think we love you, Ms. Jones. Because you are a total, 100 percent freak, and we dig that.

Ambrosa Jones: [*Laughs.*] Thanks.

BootyLicious: Unfortunately, it looks like we're out of time, so we must say farewell to you, Ms. Jones, but it was a pleasure to hear your freak speak and get your sexual knowledge firsthand.

Ambrosa Jones: And it was my pleasure to speak to ya'll today, too. I would love to come back and do this again sometime because it was so much fun.

BootyLicious: And we would love to have you back doing some nasty anal!

Ambrosa Jones: I promise! I can't wait until your readers see my body and my big ass in the mag and cum to my photos. I love *BootyLicious!* **B**

Kelly Divine
Hurtin' for a Squirtin'

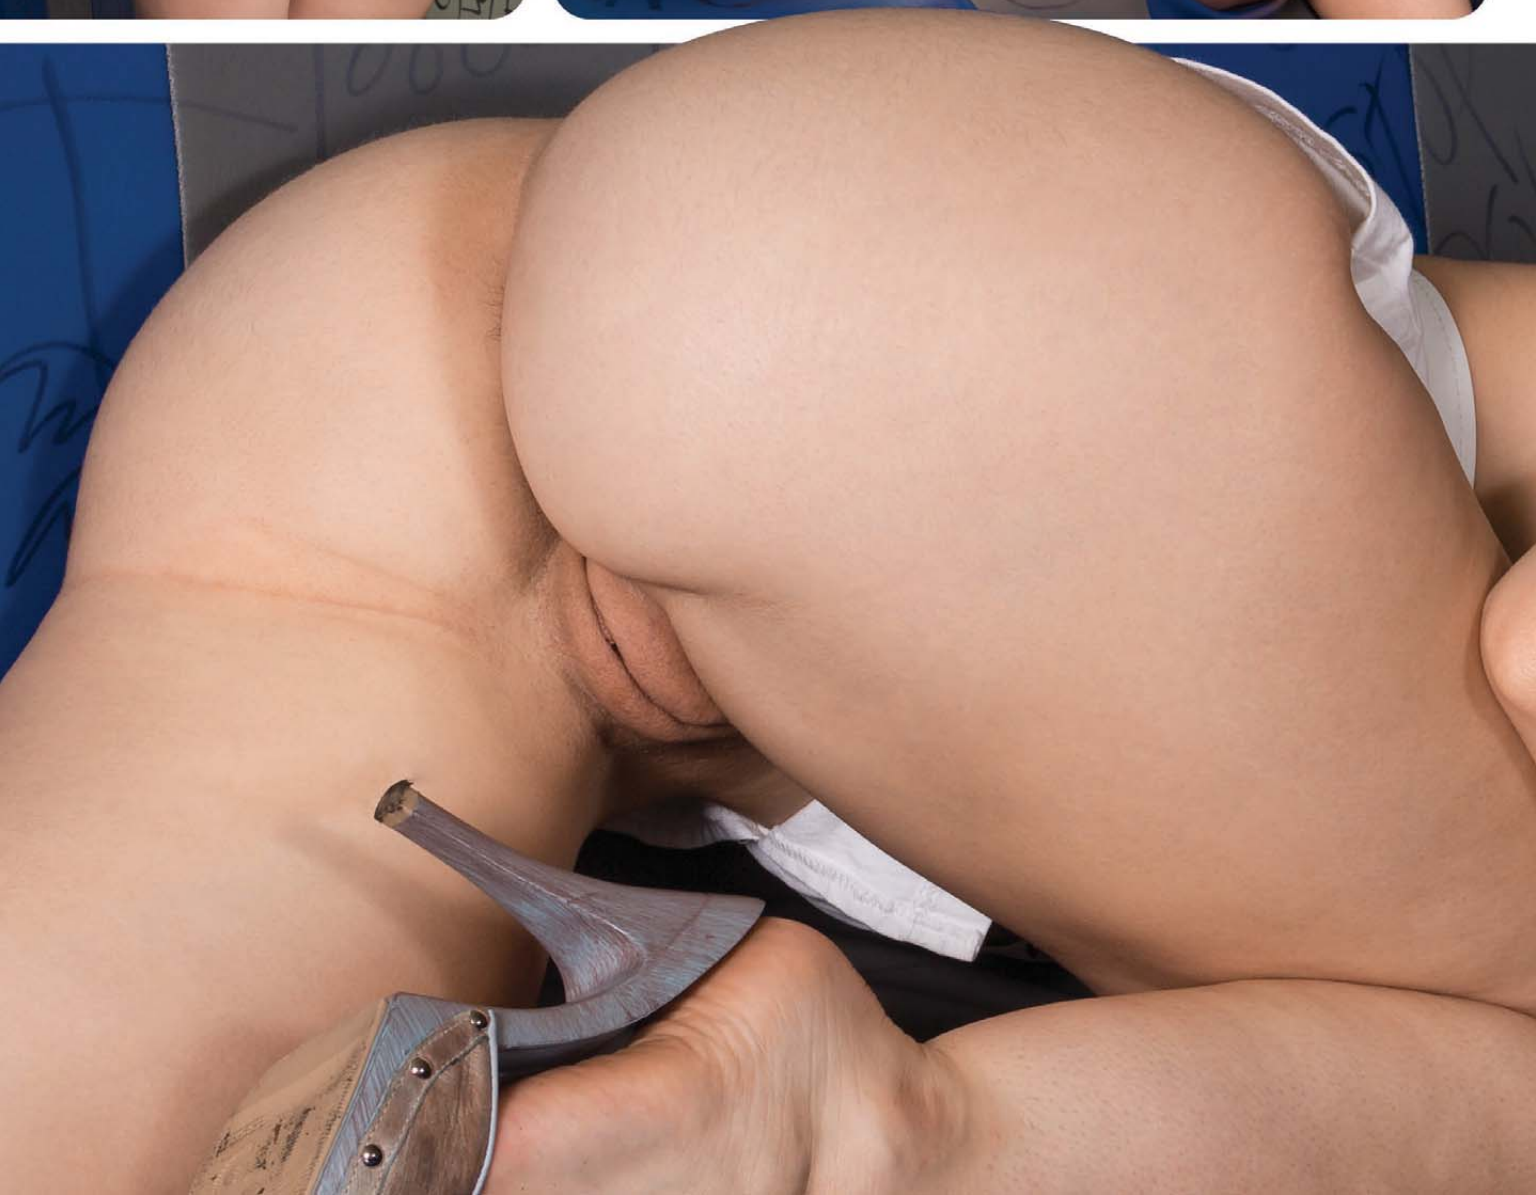

Welcome back, Kelly. In the April '08 issue you told us how you like it rough...

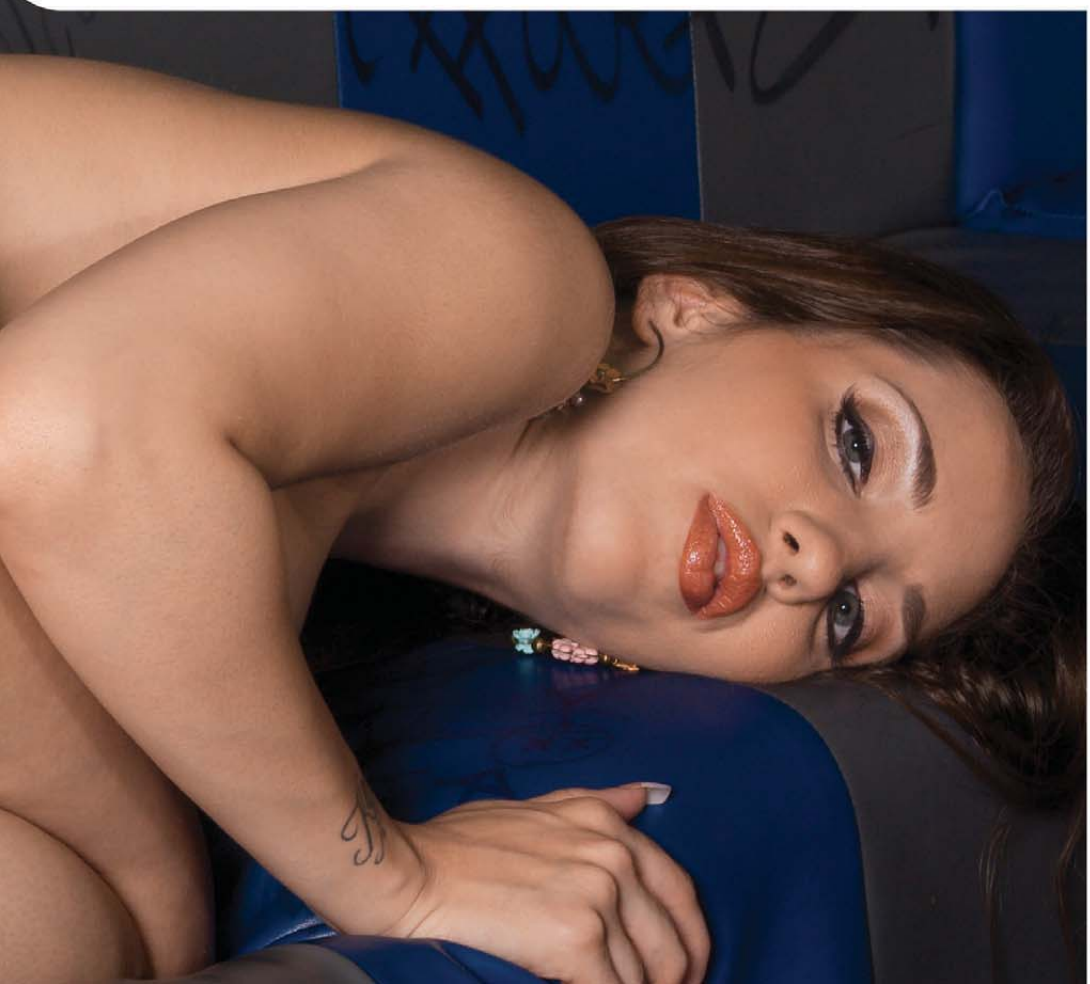

"And I still love it just like that! I've tried all that nice and slow stuff, and it's cute if I am with someone and we are trying to make it special, but the truth is, I can't cum like that. I can't cum from some PG-13 fucking. I need some rated XXX fucking that is so nasty that it makes me blush when I think about it afterwards. I need some crazy, break-the-bed type of fucking that makes me scream so loud that the neighbors think I'm being murdered."

And do you still like it when a man eats that ass? Are you doing anal now, too, Kelly?

"At first, I thought that all I needed was a finger in my ass when I was getting some head. I would always cum really hard from clit-sucking and a finger pumping in and out of my asshole. But one night I was playing with my dildo and I was fucking myself with it and one of my guy friends happened to catch me and he was like, "No, don't stop! I want to watch!" Well one thing led to another and first he was playing with my clit while I fucked myself. Then he was fingering my asshole and fucking me with my dildo. Then, before I knew it, he was spitting on my asshole and getting it nice and wet and he was sliding his dick right in. It felt so good that I came over and over. Now, I love anal!"

You have had the good anal, cum a lot and now you need it all the time, right?

"You know it! I can't stop putting things in my asshole! I use my fingers and toys and I just got a really nice butt plug and some anal beads, too. I use them when I am having sex. But lately, I've been thinking that maybe I want to try another threesome, but this time, maybe with some DP. If I like a toy in my ass while I fuck, why not a real dick, too?"

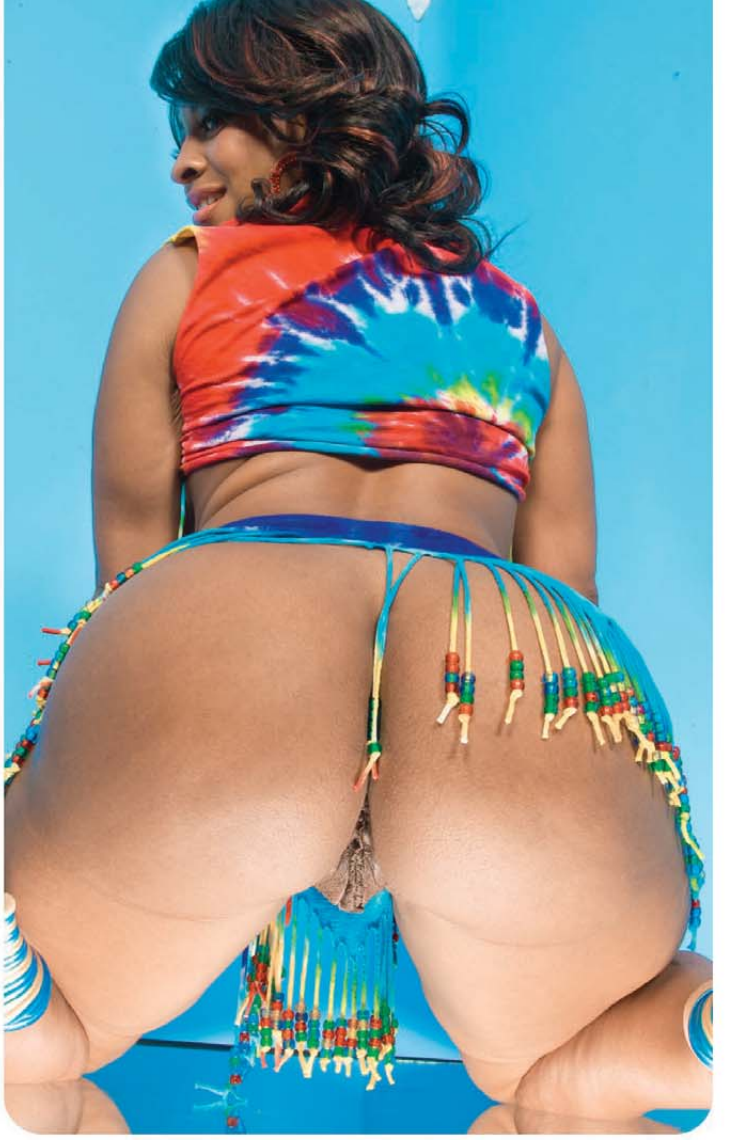

Honey Monroe

Put it
on the
Glass

We want to welcome you to* BootyLicious, *Honey. Your ass, too.

"[*Laughs.*] Then me and my ass thank you and we are very excited to be here. I am a dancer and one of the things that all the girls at the club talk about is how great the models in *BootyLicious* look and now I am one of those sexy women. I am honored. And of course I am turned on that all these men will see me, too."

We are sure you had no trouble putting it on the glass.

"Of course not. I loved the glass stage you guys put me on. Especially when the photographer was under the stage and I was squeezing my ass up against it. I could tell he was loving it and I was getting turned on, too. I even leaked some pussy juice on the glass and smeared it with my ass."

We see you put a finger in your snug asshole, too.

"If there is one thing I am not afraid of, it is telling everyone about my love of anal. I love it. I really do. I have never had a problem with a guy who wants to fuck me in the ass. Some girls do and I understand because to them it might not feel good. But for me, my asshole is like my second pussy. I can cum from anal, too. I don't need someone to play with my clit, just slam it in my ass and I will be cumming in no time. I guess that I am built for ass fucking and that makes me an even better lay, right?"

MR. MIXX

continued from page 30

that the provocative woman is supposed to have big titties and be slim, they are pushing that, then that's what it is. But lately, urban culture and rap music have come into play and are showing people a different thing. You have urban culture everywhere. It's on TV and they are showing people a new type of woman, a curvaceous woman. And I think that a lot of minority cultures have always embraced the curvaceous woman. Now they have an outlet to show the world this shape and people are accepting it. Women like J-Lo and even Selena, who have lots of curves and pretty faces, are now mainstream. And you have rap music and it's talking about big asses and talking about how it moves and jiggles. I think that urban culture is promoting ass AND titties, which is how it should be.

BootyLicious: So, you have this influx of urban culture. It's everywhere and has been injected into every type of media from music and movies to fashion and the Web. How do you think that crosses over into what you do and what you have done in music?

DJ Mr. Mixx: Well, to be honest with you, I think that 2 Live Crew is really the reason why it's like that. Before us, you had like, Sugar Hill Gang and then rappers like LL Cool J and RUN DMC. There was nothing about sex or that aspect of urban culture in their music. So we paved the way for music to be provocative sexually.

BootyLicious: [*Laughing.*] To be as nasty as you wanna be?

DJ Mr. Mixx: [*Laughs.*] Exactly.

BootyLicious: We want to talk about something that is near and dear to our hearts. We want to talk about ass. You're DJ Mr. Mixx and who better than you to talk about ass, right?

DJ Mr. Mixx: [*Laughs.*] Okay.

BootyLicious: What do you think that makes for a perfect ass? What makes an ass a "good' ass?

DJ Mr. Mixx: I think that it has to be soft. The softer it is, the better it is. It has to be in proportion to her waistline. Think of a light bulb. The base of the bulb would be the waist and the curve to the bigger part of the bulb should be the ass. It has to flow out of the waist like that. The ass cheeks should look like a curved "W". [*Makes hand gestures of a curved "W" and laughs.*] Yeah, that is a perfect ass.

BootyLicious: Now, you said it should

be soft. Do you mean jiggly? Do you mean wide and fleshy or tight bubble asses? Which do you prefer?

DJ Mr. Mixx: Both of them are cool. I think what matters is when you put your hands on the ass cheek. You have to be able to put your hand on a girl's ass cheek, grip it a little and it should sink in, maybe like, an inch, maybe an inch and a half. That is what I mean by really nice and soft. Then when you take your hand off of it, the ass should go right back to being nice and full and round. That's when it's perfect.

BootyLicious: So to be a good ass, it has to be enough to grab onto?

DJ Mr. Mixx: Yes, exactly. It has to be enough to hold onto and grip onto when you are on that ass.

BootyLicious: What do you do with an ass that big? Are you a guy who is into doggie-style or…

DJ Mr. Mixx: I like it all the way across the board. I like doggie-style and I like it sideways, in what I like to call it the boomerang. [*Laughs.*] Mainly those two are my thing when I am getting down. And then, of course, maybe missionary because you can make the person feel where you're at 'cause you can push the one leg up and back as far as you can over their head and…

BootyLicious: Hit rock bottom?

DJ Mr. Mixx: I call it muscle fucking.

BootyLicious: Muscle fucking?

DJ Mr. Mixx: [*Laughing.*] Yeah, that's when you are trying to make a girl fall in love with you. You muscle fuck.

BootyLicious: That's when you give her the whole show, not just the preview. All right, we feel that. Do you think that foreplay is important, too?

> ***"I think foreplay is relevant. If you are not sucking pussy these days, you are not even going to be able to stay in the race."***

DJ Mr. Mixx: Oh, yeah. I think foreplay is relevant. If you are not sucking pussy these days, you are not even going to be able to stay in the race. I think that if you don't allow a woman to feel like she is worthy of being pleased then you are not going to keep her. There will be someone else that will come behind you and do the stuff that you are not doing for her. Guys used to think that they could control a woman just by having lots of dollars, and that would make it okay to do her like they wanted to. But the next guy that got money and can do her like he wants to can also do all of that extra stuff to your woman to make her feel more confident about being with him instead of you. So if you don't have the understanding of what a woman needs to have happen, then you lose. And sometimes sucking and eating the pussy right will even make her forgive you for particular things that went wrong because she doesn't want to lose you because you do her so right. You know what I mean?

BootyLicious: Yeah, you make her forget your indiscretions because you are breaking her off so good.

DJ Mr. Mixx: [*Laughs.*] Exactly.

BootyLicious: Now, how important do you think it is for a chick to give head to a guy? You said that if you aren't eating pussy nowadays, that you are basically out of gas. Does that apply to sucking dick, too?

DJ Mr. Mixx: I would say, to a guy, it all depends. Like a square guy or a green dude that don't have that much sexual experience or doesn't have sex all the time, head for him might be a test. If she sucks dick, she might be a loose girl. But the average cat in the street will feel like if she doesn't give any head, then that is a deal breaker. Most guys will think that sucking dick is like, automatic. I just feel like that at the end of the day, you have to have a flair to you that makes a woman want to do that with you because she might not want to do that to every person.

BootyLicious: What is your dream ass? Like who out there has the ass that you would love to get on.

DJ Mr. Mixx: Just in porn?

BootyLicious: We mean anywhere. Who's the girl with THE ass for you?

DJ Mr. Mixx: It's hard to say. I mean, you go to the clubs now and you see these bad chicks, and they are all dressed up and they look good. But you really don't know nowadays what they are working with because their clothes are cut in a particular way to where they look fly in the club and then you take them home and…

BootyLicious: Phantom booty.

DJ Mr. Mixx: [*Laughing.*] Did you just call that a phantom booty?

BootyLicious: Yeah, around here, we call that phantom booty because a girl shows you the ass in such a way that boosts it up and gives it shape. And then when the clothes come off, poof! It's gone like a phantom. You blink and it's like, 'Wait, where did that ass go?'

DJ Mr. Mixx: [*Laughs.*] I like that a lot. This one time I went out with a chick and we haven't had sex yet and we got a room. And she was very nice-looking and she was pretty in the face, but when she took all her clothes off, she looked like an orange.

BootyLicious: She looked like a fruit?

DJ Mr. Mixx: You know when you peel an orange and there are lines going everywhere, this way and that way? That's what her ass looked like. She looked really good when she was dressed. But then she was naked and it was like, 'Wait, what just happened?'

BootyLicious: So with girls you've come across there is no one, famous or non-famous, that you're into?

DJ Mr. Mixx: You know, I keep trying to think of someone whose ass really makes a profound statement…

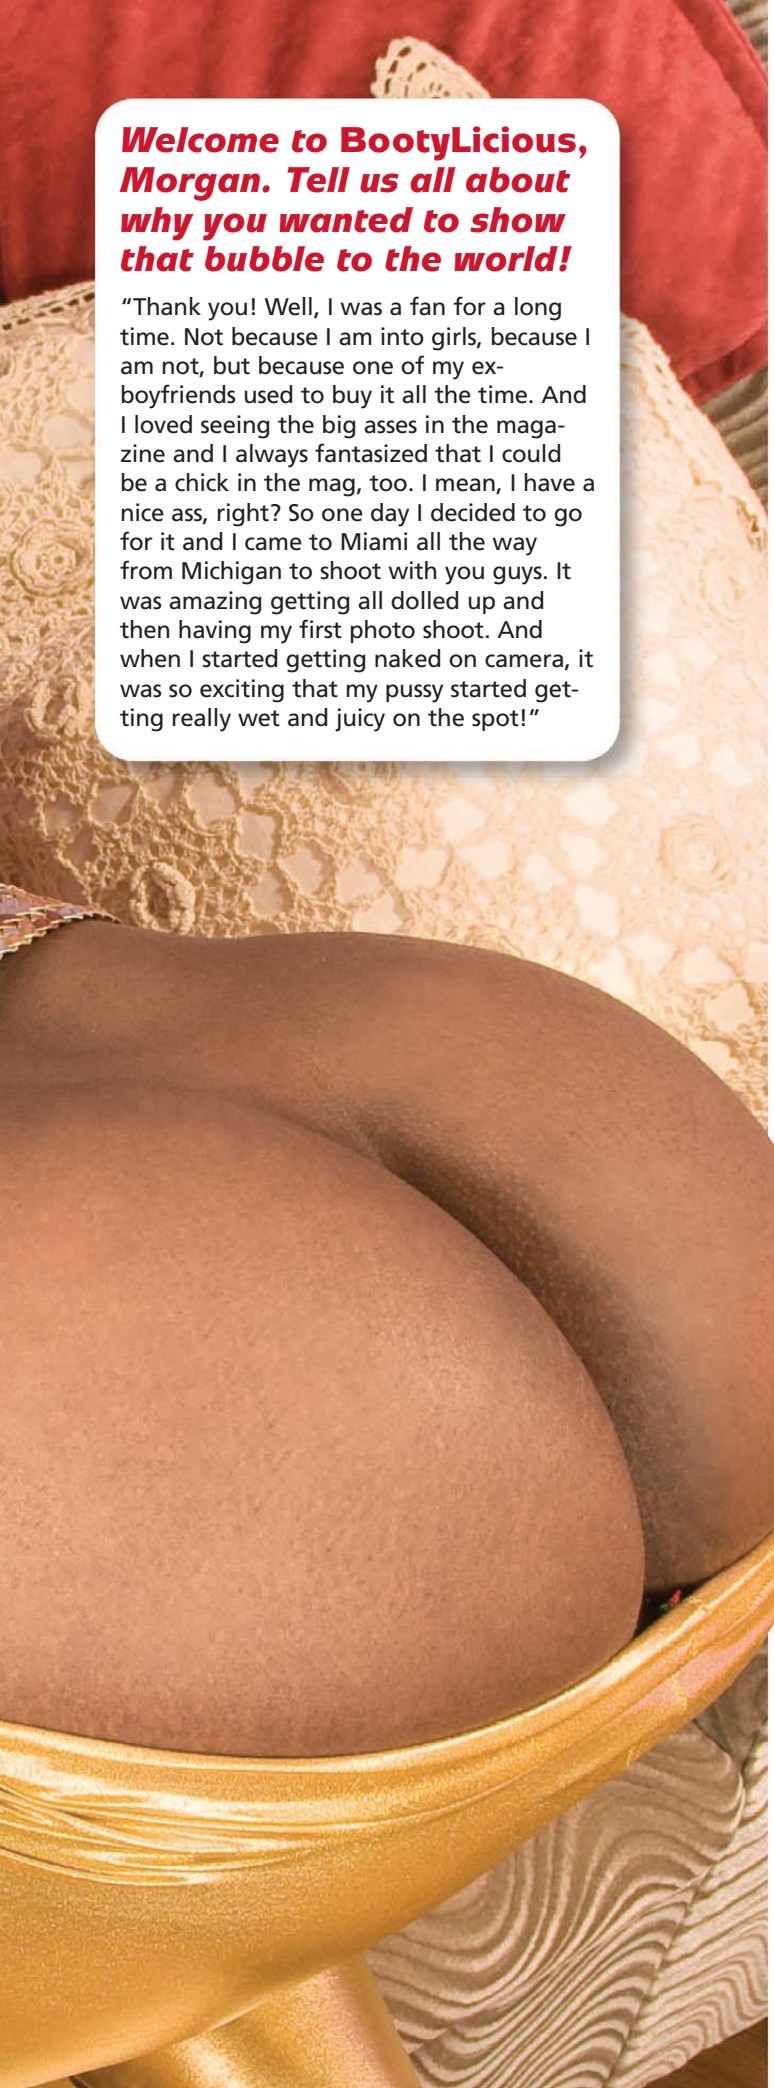

BootyLicious: [*Laughs.*] A profound statement? Wow! That is a good line. We are going to use that on chicks from now on. "Hey baby, your ass is

Morgan Cummings

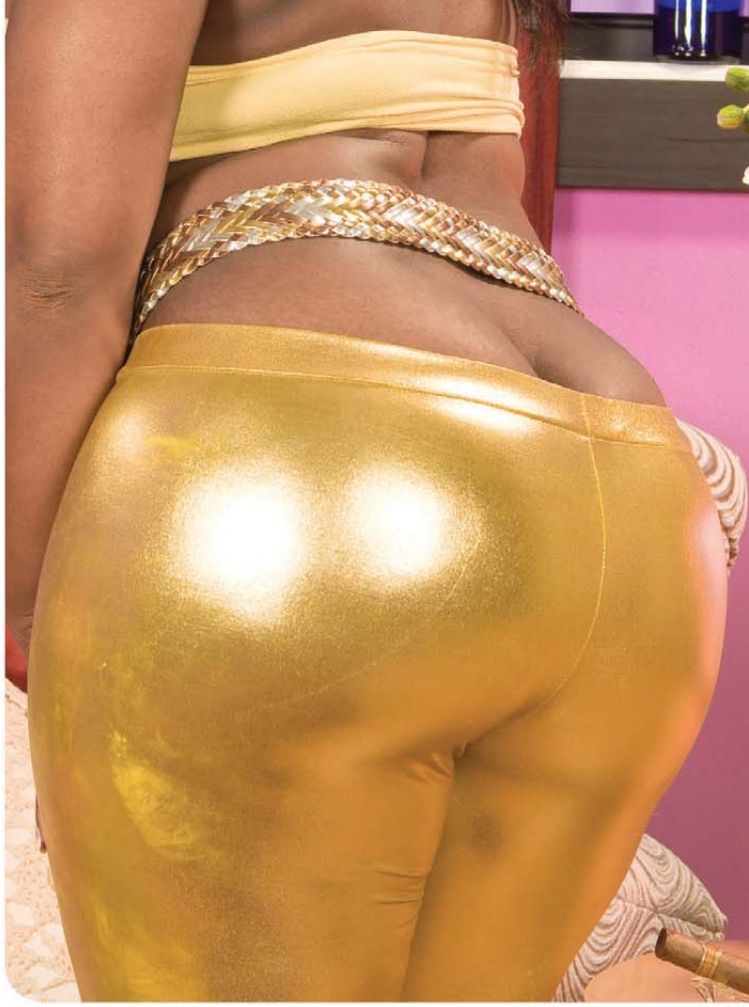

SOLID GOLD

Welcome to BootyLicious, *Morgan. Tell us all about why you wanted to show that bubble to the world!*

"Thank you! Well, I was a fan for a long time. Not because I am into girls, because I am not, but because one of my ex-boyfriends used to buy it all the time. And I loved seeing the big asses in the magazine and I always fantasized that I could be a chick in the mag, too. I mean, I have a nice ass, right? So one day I decided to go for it and I came to Miami all the way from Michigan to shoot with you guys. It was amazing getting all dolled up and then having my first photo shoot. And when I started getting naked on camera, it was so exciting that my pussy started getting really wet and juicy on the spot!"

So you weren't nervous at all about being naked and playing with your pussy?

"I thought that I would be, but no, I wasn't. Once I started getting freaky and playing with myself, I was so into it that I was cumming within like five minutes. I came so loud that one of the guys who was on set got a hard-on. When I was done, he was like, 'I want to fuck you right now, Morgan. You turn me on.' So I told him that we should get down on camera, too, and he said yes and we did it!"

So you fucked a stranger for the first time on film?

"I think the best way to describe it was that he fucked me. I mean he tore my ass up. I kept looking up and seeing all the crew watching me and I knew that they were into it and I was going buck wild! I even let him fuck me in the ass because I was so horny and I needed satisfaction right then and there! I loved it!"

MR. MIXX

continued from page 80

making a profound statement!"

DJ Mr. Mixx: [*Laughs.*] Exactly! Asses have to make a profound statement. As far as actresses and chicks in the rap game go, I can't really think of anyone whose ass intrigues me like that. At least not that way for me to give her or her ass particular props right now.

BootyLicious: Well, that's honest.

DJ Mr. Mixx: [*Laughs.*] Yeah and as far as the women in the porn world go, there are plenty of girls who do have great asses, but I can't tell you their names right now because I just don't know what their names are. I just like their asses. So maybe they should send in pictures to me so I can give them some shout outs.

BootyLicious: [*Laughs.*] Ass research.

DJ Mr. Mixx: [*Laughs.*] Yes, so I can make an informed choice.

BootyLicious: You know what? Let's get your opinion on anal sex.

DJ Mr. Mixx: Anal sex. That's an interesting and complex topic. I really don't know what to say about anal sex. For me, it's, like, I am not that into anal sex, but I don't knock anyone who is into it. Especially women. A woman has a hell of a thing to take during anal sex. I would imagine that the average size of a woman's pussy versus the anus, which is three times smaller, it would be hard to take up there. There are some dudes out there who are packing enough in their pants to where a woman really feels it in her vagina, so I would imagine that taking that during anal, well that's on some other level type of shit. [*Laughs.*] And I am not saying I haven't done it, but I certainly don't prefer it. I'm more of a vagina dude, not an anal dude.

BootyLicious: We think that anal is like vacation. You can go every now and then, but not every day, right?

DJ Mr. Mixx: [*Laughs.*] That's right.

BootyLicious: What would you say is the freakiest shit that has happened to you as far as women coming on to you or trying to get a piece of your action?

DJ Mr. Mixx: Well, I think that when you perform on stage, women are more bold than if you, let's say, meet them in the club. I mean, I can bring a woman on stage and she will try to wrestle me down and grab my dick and hump me. But if I were in a club, she wouldn't do it. I think the element of being on stage and having people watch her is what turns a woman into

that freak. And being that this is what I do, and that they see all these dancers and other women on stage, they go into competition mode and they try and outdo the other girls.

BootyLicious: How do you respond to that situation? Do you just say, 'Hey, thanks for pulling my dick?'

DJ Mr. Mixx: [*Laughs.*] You enjoy the moment. It's like they want to make an impression on you because you make music based on that kind of behavior.

BootyLicious: Now, do you think that your music exploits women or empowers them to own their inner freak?

DJ Mr. Mixx: I think that passing judgment on women nowadays is not as serious as it used to be. Women have more sexual freedom now and there is not that stigma of them being a ho or a slut because they are sexual.

BootyLicious: So you think that they hear your music and they're cool with being a freak or being a little nasty?

DJ Mr. Mixx: I think that when my music comes on, women automatically go into hump mode and shaking-their-ass mode. They've accepted it and the music empowers them to do that. It's like their fire drill. When that bell rings, you govern yourself accordingly.

BootyLicious: We did a survey for our readers and we asked them what they loved about the mag. Can we ask you some of the same questions?

DJ Mr. Mixx: Sure. That's cool.

BootyLicious: What race of women do you prefer? Black, white, Asian?

DJ Mr. Mixx: Um, I like compatible. [*Laughs.*] It doesn't matter to me as long as we get along and she has the figure I like. It's about compatibility.

BootyLicious: What type of body type to you prefer? Thin or thick?

DJ Mr. Mixx: I like them full-figured, slim in the waist and curvaceous. I like the fat titties, fat ass, slim waist.

BootyLicious: What about XXX? Do you like girl-girl, threesomes, orgies?

DJ Mr. Mixx: I like guy and girl situations. And girl-on-girl is cool.

BootyLicious: What looks better, thongs, booty shorts or lingerie?

DJ Mr. Mixx: Nothing! Naked! Just look good and smell good! [*Laughs.*]

BootyLicious: And on that note, we are out of time. Thank you for sitting with us today, Mr. Mixx.

DJ Mr. Mixx: Thank you and I would like the fans to check out our site at *collegepeepshowtv.com* and check out *myspace.com/djmrmixxbootydatabase* for information on parties we are throwing, booking and for any girls who want to work with us. B

KARA KANE

CAN YOU HANDLE THIS?

Welcome back, Kara. Last issue you told us that you love anal...

"And I meant it, Sugar! I think that anal makes the sex even hotter and that makes me cum even better. There is a process for me. I want to taste the dick and suck on it nice and slow. Then I want to get fucked, and I mean I want that long, hard stroking where that dick hits bottom. Then I like to lean in and whisper, 'Why don't you put your big thing in my tight ass, Baby?' Men go wild for that and it feels so good for me, too!"

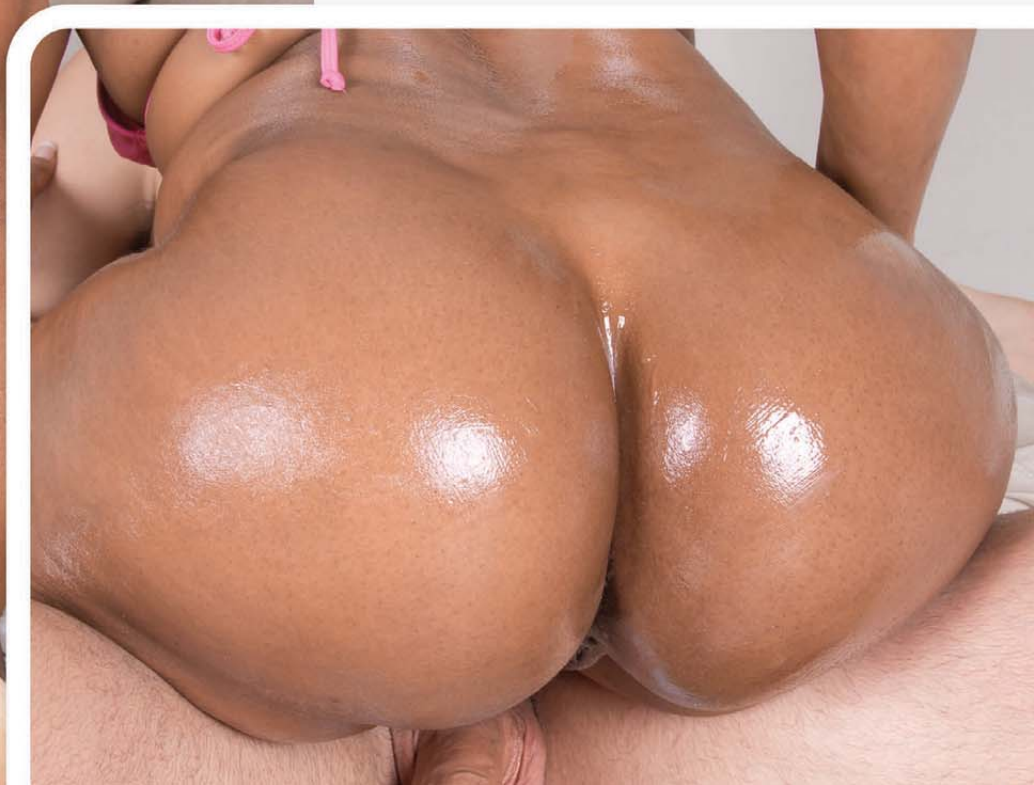

Tell us what one of your kinkiest sexual fantasies is, Kara.

"I have quite a few because I love to come up with new ones that I can explore when I have sex. One of my favorites is to be seduced by a stranger. He comes up to me at a club or a restaurant and just lays it on me so smooth that I can't say no to him. We sneak off to an elevator and we have sex, knowing the whole time that security cameras are watching us do it and loving it."

Have you ever acted out this elevator sex scenario before? Are you an exhibitionist, Kara?

"[*Giggles.*] Let's just say I'm no stranger to sex in public places. I can't help it; sometimes you get so caught up in the moment that you have to have it right there and then. I got caught once in the receiving area of a huge department store. We were fucking in the warehouse and a truck showed up. The drivers saw the whole thing and they honked and applauded."
